for the following articles:

Knitted garments for babies (T-shirts, bodysuits, hats, bibs, fleece sweatshirt articles), for children (T-shirt wear, hoodies and sweatshirts) and adults (T shirts, hoodies, sweatpants, and sweatshirts) in 100% cotton, cotton/polyester, 100% Modal and cotton/viscose - dyed and printed. Including accessories: metal poppers, sewing threads, zippers and woven garment labels. Based on materials certified according to the Oeko Tex® Standard 100. .

The results of the inspection made according to Oeko-Tex® Standard 100, **product class I** have shown that the above mentioned goods meet the human-ecological requirements of the standard presently established for baby articles.

The certified articles fulfil the requirements of Annex XVII of REACH (incl. the use of azo-dyes, nickel, etc.) as well as the American requirement regarding total content of lead in children's articles (CPSIA; with the exception of accessories made from glass).

The holder of the certificate, who has issued a conformity declaration according to ISO 17050-1, is under an obligation to use the Oeko-Tex® mark only in conjunction with products that conform with the sample initially tested. The conformity is verified by audits.

This authorisation is valid until 07.11.2017
